PERSONAL PROJECTS

My University, An Admission Assistant – Android App (06/2019 - 12/2019)

- The app was based on admission procces of any university , which would enable the student to apply in their favourite colleges or univeristy , truly paperless , via fetchng personal information via aadhar no. and python script to fetch their results directly from corresponding board to avoid any sort of forgery thus enabling a simple easy admission process. Plus get information of Application status as well as seats available & much more.

Agent Chiggy, Sipping Hot! – Android App (01/2020 - 06/2020)

- Agent Chiggy is an AI based Barista , the application is all about making the process of ordering very attractive and elegant with a chatbot which is intelligent to tackle your offers and offer you a counter offer that you won't be able deny.
